ALUMINUM CHANNEL FOR FLEXIBLE LED LINEAR RIBBON

PRODUCT DESCRIPTION

Extruded aluminum channel with snap-on frosted lens that provides a rigid, linear mounting platform for the following GM Lighting LEDTask Flexible LED Linear Ribbons:

- LTR60
- LTR300
- LTR300-SO
- LTR300-WP
- SLR
- LTR150-RGB

Note: Aluminum channel will not accept LTRWP-RGB Wet Location Ribbon.

MOUNTING

Channel screws directly into surface. Flexible LED linear ribbon uses attached 3M mounting tape.
